Please R.S.V.P. at the front desk!

November 2011

Harold and Maren Eldredge

Harold was born Oct. 20, 1917, in Salt Lake City, Utah. Harold married Maren in the Salt Lake City Temple. Both of them had many children of their own in their previous marriages. Together, they have 62 grandchildren and 143 great-grandchildren. Harold worked for the postal service. He loves veggies, ice cream, sports, church magazines, garden and horseshoes. His favorite holiday is Thanksgiving, because he loves being with his family. He also enjoys Yellowstone and the National Parks. Harold enjoys most going to the Temple and family history. A lesson that Harold lives by is keeping the commandments.

November 2011

Angel and Beverly

Angel Petrossian Whatcott is our "Employee Spotlight" for November! She was born June 6, 1969. Angel is the mother of six children, four girls and two boys. She likes to exercise, Legos, history books, loves the color black and loves all kinds of animals. Her favorite holiday is her children's birthdays. Angel has traveled to Germany, Iran, Italy, Florida and California. Her favorite food is salads and coffee. Angel admires her best friend; she says, "he never quits and does whatever it takes to provide for his family." A lesson that Angel has lived by is to "Never get jealous" and "be happy for what you have."

We love and enjoy having Angel a part of our Carrington Court family. She is a wonderful example to our residents and staff. Thank you, Angel, for all you do!

"This Month In History" November

1800: President John Adams and his family move into the newly completed White House.

1848: The first medical school solely for women opens in Boston.

1859: Charles Darwin's "On the Origin of Species" is published, selling out quickly.

1906: S.O.S. is adopted as the standard distress signal at sea.

1922: Archaeologist Howard Carter discovers the tomb of child king Tutankhamun more than 3,000 years after King Tut's death.

1931: Irma Rombauer self-publishes America's all-purpose cookbook, "The Joy of Cooking."

1939: Work on the first presidential library begins on New York land donated by President Franklin D. Roosevelt.

1951: Telephone area codes get people talking long distance.

1963: Push-button telephones ring into service as an alternative to rotary-dial phones.

1969: Via a string of local educational TV shows, public television airs across America.

1983: Microsoft releases its computer operating system, Windows.

1989: L. Douglas Wilder of Virginia becomes the first African-American governor elected in the United States.

2000: The International Space Station is inhabited by humans for the first time with the arrival of one American and two Russians.
