GREAT MOMENTS HAPPEN EVERY DAY AT CARRINGTON

Every Friday morning at Carrington about 20 boys visit us and join in with whatever activity we have going on. They are always good sports, kind and full of energy! One Friday the boys sat down with individual residents and interviewed them. It was an enjoyable experience for all. When you are young, it is sometimes hard to believe that people older than you are were young once themselves. These boys listened and asked and learned about our residents, the boys thought all of them were "awesome." Roger shared many stories and pictures about his life with the young student who visited with him.

Jean and her sister, happy that spring has arrived!

Roger Neddo sharing a picture of the machine that he owned and operated for many years.
