Rainy Day Reminder
The rhyme "April showers bring May flowers" can be seen as a lesson in patience and optimism. It may be gloomy and wet today, but remember what we have to look forward to – the beauty and fragrance of spring blossoms!

Write It

April 1 begins National Card and Letter Writing Month. Take some time and write a note or a letter to your family and friends. They will love the surprise that will surely brighten their day! Never waste an opportunity to tell someone you love them!

April 2018

WE LOVE BINGO AT CARRINGTON COURT

There is no doubt; the popularity of BINGO is undeniable. We play several times a week and have many varieties of games; butterfly, four corners, layer cake, freeway, and double dutch to name a few. If you love to laugh and be around great people, check the calendar inside and join us for a BINGO game!

Word for April: Rejuvenate

The new growth of the season debuts this month, splashing color and life into parks, lawns and gardens everywhere. While the fresh air rejuvenates, or "gives new vigor", to our surroundings, the attitude in April makes us feel like kids again. On that note, we held our own Olympics. We had many events and everyone showed their Olympic spirit! Thank you to our University of Utah students that created our own Carrington Court Olympics. Look on the back page of the calendar for more action shots.
