SCALES AND TAILS COMES TO CARRINGTON COURT

Come One, Come All - An evening of fun for residents and family alike on *Thursday, Aug. 15, at 6:30 p.m.* Scales and Tails of Utah will be presenting a fun, educational event. So let's overcome our fear of reptiles together and become better acquainted with these "delightful" creatures. Everyone is welcome, so be sure to bring the kids (a very large snake will be making an appearance).

RIDING SNOWBIRD'S AERIAL TRAM

Friday, Aug. 2, after lunch we will be taking a trip to Snowbird and riding the aerial tram! Please let Diane know if you would like to go. There is no more spectacular vista. The aerial tram whisks you up 1.6 miles of cable to the top of Hidden Peak with an elevation of 11,000 feet. Come and enjoy the beauty of Utah.

Resident Spotlight - Glyde Whitney

Glyde was born March 17 in the little town of Annabella, Utah. After high school graduation, Glyde headed to the big city of Salt Lake, where she worked for a fine jewelry store in between attending classes at the LDS Business College.

In 1945, she met a handsome, young sailor in an ice cream parlor by the name of Samuel James Whitney. They were married a year later in the St. George Temple. This started the most wonderful and fulfilling years of Glyde's life.

She and Jim were blessed with four wonderful sons. Through the years they lost their two middle sons, Craig and Grayson.

Everyone who knows Glyde will tell you there is not a more loving, caring and compassionate person on this earth. She has been the most wonderful mother and wife. In the month of December 2010, Glyde lost her soul mate and love of her life, Jim. She has endured, but misses him tremendously.

Resident Spotlight - Glyde Whitney Continued

Glyde appreciates the little things in life. She always said, "It's the little things in life that make a big difference!" When she would ask, "How are you doing?," she really wanted to know.

Glyde has always had a passion for reading. She has read many, many books in her life. One of her favorite things is a good book, followed by a good cry! When Glyde was in the fourth grade, she read the book "The Story of My Life," an autobiography by Helen Keller. This is still her favorite book of all time.

The Relief Society has always been a big part of Glyde's life. She was the Relief Society president for many years in her ward in Salt Lake. She loved to cook for the ward members and enjoyed the closeness of her special sisters. She saw good things in everybody and beauty in everything.

There has never been a more devoted letter writer than Glyde. She thoroughly enjoyed writing letters to the missionaries, along with friends and family. Glyde could write a novel that would keep you on the edge of your seat, or just write a note that would be so tender and touching that it would bring tears to your eyes. She never failed to send birthday cards to the special people in her life.

The Utah Jazz is Glyde's favorite team to root for. She is an avid sports fan and doesn't like to miss a golf tournament that Tiger Woods plays in.

Glyde's posterity includes four children, eight grandchildren and 30 plus great-grandchildren.

We are thankful that Glyde resides at Carrington Court. She is a friend to all and always takes time to listen. Both employees and residents appreciate her kind and caring words and actions.
