## Paradigm Prep School Boys Are so Wonderful!

Every Friday morning a service class from Paradigm Prep School comes to Carrington Court Assisted Living and joins in our activities, so imagine the activity room filled with our residents and 25 thirteen-year-olds—now that is pure energy! They make whatever we are doing better. They are kind, thoughtful and genuinely nice. We have bowled, played cards, gone to the horse races, marble lagged, sang together, and of course always started with our exercises. Glyde (who is pictured to the left with one of the students) told me she thinks “the boys get as much out of this as we do.” Helen James tells the boys every time they come that they are all “one in a million.” Maxine’s friend brought her a beautiful bouquet of flowers to her apartment and thanked her for her friendship. Never underestimate the power of reaching out to others; you may find yourself receiving more than you expected!

## Little Red Dog - a Great Topic for Conversation!

Our sweet Beverly won Little Red Dog during our winter Olympic games in February. Since that time, he has walked the halls of Carrington Court Assisted Living with Beverly. Everyone loves Little Red; he often gets more attention than a real dog. Visitors pet and dote over him. He has been on many field trips and has been greeted with kindness everywhere he goes. I think we can count him as our official mascot. Residents and visitors alike find themselves talking about how happy Little Red makes Beverly, so the next time you see Little Red and Beverly, make sure you say hi (and don’t forget to give Red a pat). Once again, never underestimate the simplest gift! Pictured to the right are Beverly, Little Red, Beverly’s nephew and her great niece at our Mother’s Day luncheon.
