Saint Andrew Catholic School Brings Friendship and Joy!

Robert enjoying a book with a visiting student!

We want to thank all the children at Saint Andrew Catholic School who came and spent time here at Carrington Court Assisted Living during their school year. They all exemplified what great children are! Their visits added extra excitement and joy to our day. The children brought us a Nativity Christmas program, seasonal crafts, Irish dancing, musical programs, their favorite stories, and most importantly, genuine excitement and curiosity that only children can have! Thanks, kids, for all the smiles, laughs and heartfelt hugs. It means more than you'll every know! A note of special thanks to the principal and teachers who put time and energy into organizing these programs and bringing the kids to us. We look forward to our final get together this school year when we visit Saint Andrew this month—we can't wait to see your classrooms. These visits proved that you can bridge the "generation gap."
