## PAIGE, OUR ASSISTANT ACTIVITIES DIRECTOR

Paige was born September 8, 1991, and grew up in South Carolina. After graduating high school, she moved to Virginia, where she attended college, and graduated from Southern Virginia University. Her degree is in Family and Child Development. Paige and her husband just recently moved to Utah, and she started working at Carrington Court. Paige doesn't have any children yet, but she does have two dogs. She loves animals, nature, and going camping. She has traveled all over the United States to see many national parks. The only time she traveled out of the United States was to visit the Bahamas. The things that are most important to Paige are her family, her desire to make a difference in peoples' lives, and to help them to be the best they can be. Her hobbies include crafts, sewing, and working with children. Paige has been a great addition to the team! She has brought a lot of new and great ideas.
