JEAN THOMAS

Jean grew up in Salt Lake City, Utah. One day she and her friend were downtown and wanted to get home. The bus had stopped operating for the day and they wondered what to do. A young man by the name of Warren Thomas stopped and asked, "Can I help you?" They told him they needed to get home and he offered to drive them; they accepted. He asked if he could take Jean out on a date and apparently the dating went well because they were married in the Salt Lake Temple on September 17, 1946. They were married for nearly 59 years. Warren and Jean have five children, three daughters and two sons. Jean enjoys playing the piano; she taught for many years and still plays. She has played for us many times at Carrington Court. Jean and Warren also liked to travel. They belonged to the Good Sam Club and traveled all over the western United States in their trailer. Jean likes all foods and loves all holidays. We are so happy that she is here with us!
