# July 2012

## Alice and Celeste

Celeste Lonson is our *"Employee Spotlight"* for July. She was born in Taipei, Taiwan. Celeste has a BA in psychology from Cal State and is currently working on her PhD in psychology. She plans to marry Chris next year (2013) after she finishes her schooling. Celeste worked as a lift operator in Park City because she loves to snowboard. She has a dog named Akuni. She likes to eat lobster and raw oysters, loves oil painting and drawing comics. She has traveled to Europe, Asia and throughout the USA. Her favorite place was snowboarding in Norway with her boyfriend (Chris). A lesson she has learned is to "Always try to see things from other people's perspective." We appreciate Celeste for her kindness and love she brings to our Carrington family.

## "This Month In History" JULY

**1606:** The Dutch painter Rembrandt van Rijn is born. His work is characterized by dramatic use of light and shadow.

**1799:** A French soldier in Egypt discovers the Rosetta Stone. Researchers eventually use the stone's carvings to decipher Egyptian hieroglyphics.

**1930:** The first World Cup in soccer is played in Uruguay.

**1951:** J. D. Salinger's "The Catcher in the Rye" is published. The hugely successful book was his only novel.

**1969:** Apollo 11 lands, and Neil Armstrong and Buzz Aldrin become the first humans to set foot on the moon.

**1977:** "Gonna Fly Now," the theme song from the movie "Rocky," becomes a No. 1 pop hit for composer Bill Conti.

**1981:** Prince Charles and Lady Diana marry in a well-publicized wedding.

**1988:** "Die Hard" opens in theaters. The action film starring Bruce Willis spawns three sequels.

**2007:** "Harry Potter and the Deathly Hallows," the final installment in the popular book series, is released.
