Annette Taylor was born on Nov. 7, 1942. She was born in Glendale, California, but was raised in Sugarhouse and Ogden, Utah. Growing up she spent a lot of her childhood in Smithfield with her Nana and Sweets, which were her grandparents who she was very close with. She worked for her dad, who was a doctor, as a helper in his office. She later worked for her bishop in the purchasing department at Weber State University. This is where she met her future husband, Nolan, who also worked there. They have been married for 44 years and have four children, and 10 grandchildren. Annette is very proud that she was able to serve on a LDS mission to Switzerland. Some of her favorite things in life are eating chocolate, playing the piano, sewing, reading, cooking and doing crafts. She loves her family very much, and we love having both her and Nolan here with us.

ROBERTA PHILLIPS, OUR SPOTLIGHT FOR OCTOBER

Loves to travel!

Our spotlight of the month for October is Roberta Phillips. She was born and raised in Salt Lake City, Utah. She lives with her mother and two sisters. Carrington Court is her first job, and she attended Weber State University. Roberta has a passion to travel the world. She recently just returned from a wonderful trip to Hawaii. One of the places that she has traveled to is California, which so far she has enjoyed the most. She loves sunny California! An accomplishment that Roberta is very proud of is that she was a cheerleader for four years. Some of her hobbies that she enjoys are reading and going camping. Her favorite animal is the Black Bear, and her favorite drink is coffee. Her biggest dream for the future is to have the opportunity to travel around the world. We are so glad that Roberta is a part of the team; she is a real asset.

**HAVE A SAFE
AND
HAPPY HALLOWEEN,
EVERYONE!**

Watch out for all the little goblins!
