Box of Chocolates  
The Valentine's Day tradition of giving a box of candy was started in the 19th century by Richard Cadbury, a scion of a British chocolate manufacturing family. With a new technique recently established at the company to create more varieties of chocolate, Cadbury pounced on the opportunity to sell the chocolates as part of the beloved holiday. First Valentine Was Written from a Prison History's first valentine was written in perhaps one of the most unromantic places conceivable: a prison. Charles, Duke of Orleans wrote the love letter to his second wife at the age of 21 while captured at the Battle of Agincourt. As a prisoner for more than 20 years, he would never see his valentine's reaction to the poem he penned to her in the early 15th century. 'Sweethearts' Candies Started Out as Lozenges  
The iconic chalky heart-shaped candies that have been passed out lovingly every Valentine's Day started out as lozenges. According to the Food Business News, pharmacist and inventor Oliver Chase created a machine that would quickly create the lozenges before switching to using the machine to create candy—later known as Necco Wafers. Chase's brother came up with the idea to print messages on the candy in 1866, and the candies got their heart shape in 1901, appealing specifically to Valentine's Day sweethearts. In 2019, the Sweetheart brand of conversation hearts was suspended for a year as the candy's new owner, Spangler Candy Co., needed time to make a supply of the hearts for Valentine's.

*"Too often we underestimate the power of touch. A smile. A kind word. A listening ear. An honest compliment. Or the smallest act of caring. All of which have the potential to turn a life around." -Leo Buscaglia*

"TRUE LOVE"

February 2021

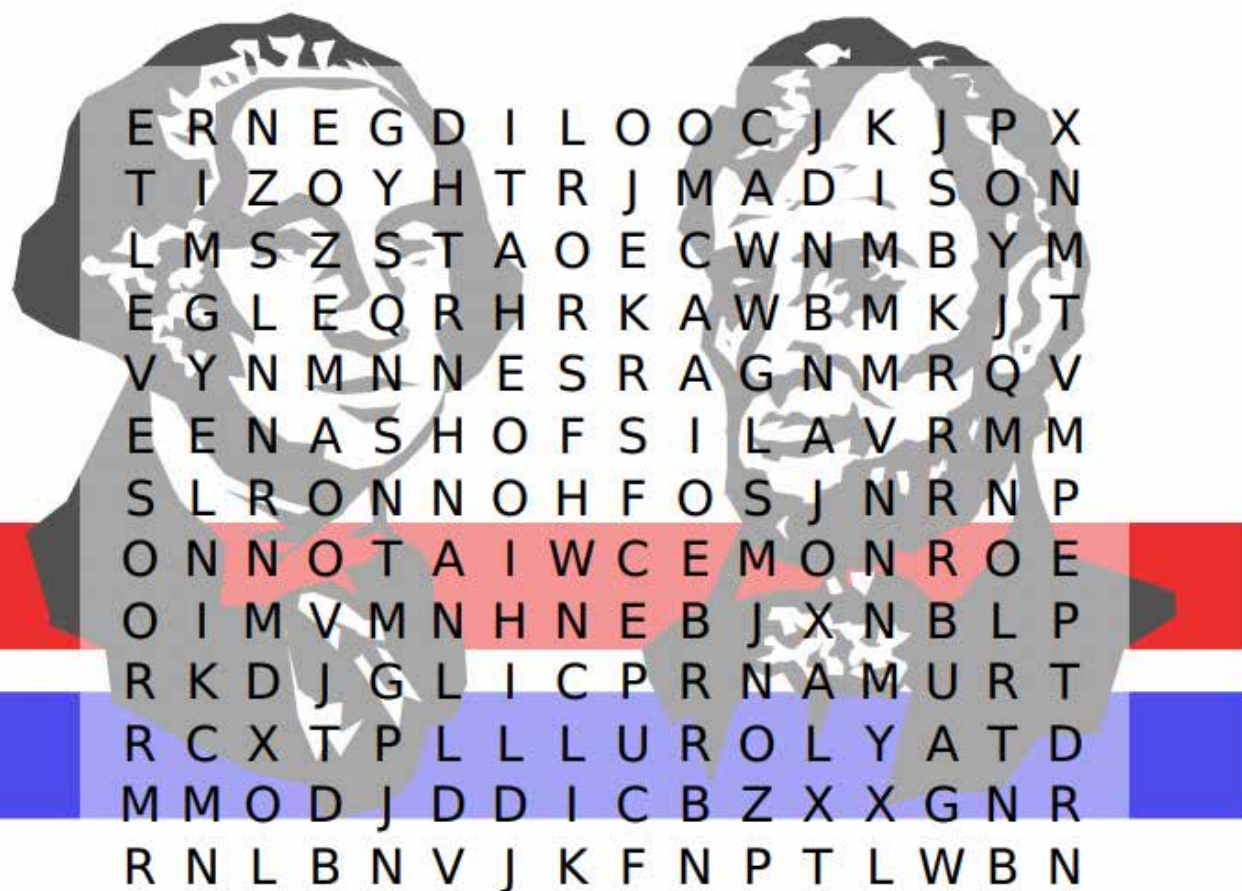

Celebrating the Month of *love*

Janice and Dave Moody have been married 60 years this month! Janice grew up in Alamosa, Colorado where she was a cheerleader in high school. Dave grew up in Delta, Utah where he was a football quarterback and basketball player. Each went to BYU where they met, fell in love graduated and married. They were married in the Manti Temple in 1961.

Dave and Janice have six children. They lived in Delta, Utah where Dave was part of the Moody Brothers seed business. They moved to Murray, Utah in 1969 where Janice began teaching at McMillan Elementary School and Dave began teaching LDS Seminary at Riverview Jr. High School. It was the beginning of many years of wonderful influence they had on children and youth in Murray! They were spiritual leaders in their community. Janice served as Stake and Ward YW President, Dave served as Bishop twice, his home ward and the first singles ward in his stake and later in the Stake presidency.

Dave and Janice have served several missions. Dave served a three-year mission in New Zealand as a young man. Dave and Janice returned to New Zealand in 2001 as CES missionaries.

While there, they helped the institute program to grow. They returned years later to New Zealand to a different area as CES missionaries to strengthen the Institute program. Their third mission was to Ukraine where they found the youth to be the hope for their country. Janice contracted a virus, along with other missionaries and needed to return home for care. They later served a fourth mission in their stake boundaries to help meet the needs to members of the stake. Through each mission, they made many friends, strengthened and loved all they met. Their family includes six children and spouses, 29 grandchildren and 14 great grandchildren. Janice and Dave have been a wonderful blessing to their family, neighbors and friends.
