

The first Kentucky Derby was held on May 17, 1875, "Aristides" was the winner.

The Kentucky Derby was started by Meriwether Lewis Clark Jr., grandson of explorer William Clark, of Lewis and Clark Expedition fame. Clark, who was inspired by horse races he'd seen in Europe, raised the money to build Churchill Downs on land donated by his uncles.

In 1925, the Derby aired on network radio for the first time; and afterward, attendance continued to grow. 1949 marked the first year the Derby was locally televised. Three years later, in 1952, the Kentucky Derby made its debut on national TV.

To qualify to ride in the Derby, a horse must compete in designated prep races at a series of tracks. The top four finishers in each race receive points, and the 20 horses who accumulate the most points are eligible to enter the Derby.

In 2017, the guaranteed prize money for the Derby was \$2 million, which was divided among the top finishers, with the winner taking home more than \$1.6 million. Roses are another longtime Derby tradition. In 1884, Meriwether Clark started the practice of giving the winning jockey a bouquet of roses.

HAPPY MOTHER'S DAY

May 2019

Memorial Day Remembrance

On Memorial Day, Monday, May 27, we honor those who have died serving our country. In honor of them, let us cherish the freedoms we have and never take them for granted.

Wonderful mothers reside at Carrington Court – all of them are so special; beautiful, smart, funny and caring! We are honored that they call Carrington Court home. Mothers, thank you for letting Carrington Court assist you; we are humbled every day by your strength and courage. Sunday, May 12 is your day and we say "HAPPY MOTHER'S DAY".
