## DOREEN ARCHIBALD

Doreen Archibald was born on May 21, 1934, in Coventry, England. She grew up in England, during WWII. After the war, her family immigrated to the United States. They lived in Salt Lake City and she graduated from South High School. Doreen met her sweetheart, Jay Archibald, on a blind date. They fell in love and were married October 16, 1952, in the Salt Lake Temple. They built a home on the family property in Granite, at the mouth of Little Cottonwood Canyon. They had three sons. Doreen was talented at sewing, knitting and cooking. She loved to read and do puzzles. She served in many positions in the primary, including ward and stake primary president. She loved working with the children. She served as a temple worker in the Jordan River Temple. The family grew and she now has two daughters-in-law and five grandchildren. She is expecting a great-grandson this spring. We have all enjoyed getting to know Doreen.
