Employee Spotlight: Scott Nelson, Director of Nursing

Scott met his wife when he was three years old and she was five. They were always good friends growing up, but never dated until they were in their twenties. They got married in 2014, and have a beautiful daughter of eighteen months, and a baby boy who will be born in June. Scott's accomplishments are many, he graduated from Bingham High, attended Snow college for a year, and received a degree in nursing from SLCC. He is still in school and will graduate at the end of the year with a Bachelor's of Science in Nursing from the University of Utah. In his free time, he enjoys playing basketball, lifting weights, and hiking. His dream is to become an expert rock climber. He loves the Canadian Rockies and would love to spend a lot of time hiking and climbing there. He also wants to travel to Norway one day and explore the great outdoors there. We are so lucky to have Scott here at Carrington Court, he is doing an amazing job!

Memorial Day is May 28, 2018!
